

AMENDED IN ASSEMBLY APRIL 14, 2009

CALIFORNIA LEGISLATURE—2009—10 REGULAR SESSION

ASSEMBLY BILL

No. 747

Introduced by Assembly Member Emmerson

February 26, 2009

An act to amend Section 32372 of the Education Code, relating to school facilities.

LEGISLATIVE COUNSEL'S DIGEST

AB 747, as amended, Emmerson. School facilities: recycling programs.

Under existing law, each school district and campus of the California State University and Colleges is encouraged to establish and maintain a paper recycling program in specified areas owned or leased by the school district or campus where a significant quantity of wastepaper is generated or may be collected.

This bill would encourage school districts and campuses of the California State University and Colleges also to establish and maintain beverage container recycling programs in those areas.

~~Existing law, the Leroy F. Greene School Facilities Act of 1998, requires the State Allocation Board to allocate to applicant school districts, prescribed per-unhoused pupil state funding for construction and modernization of school facilities, including hardship funding and supplemental funding for site development and acquisition.~~

~~This bill would express the intent of the Legislature to enact legislation that would provide incentives to school districts with recycling programs when applying for state funding for construction and modernization of school facilities.~~

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. *Section 32372 of the Education Code is amended*
2 *to read:*

3 32372. (a) Each school district may, and is encouraged to,
4 establish and maintain a paper *and beverage container* recycling
5 program in all classrooms, administrative offices, and other areas
6 owned or leased by the school district where a significant quantity
7 of wastepaper *or beverage containers* is generated or may be
8 collected.

9 (b) Each campus of the California State University and Colleges
10 may, and is encouraged to, establish and maintain a paper *and*
11 *beverage container* recycling program in administration offices
12 and other areas owned or leased by the campus, including areas
13 frequented by students, where a significant quantity of wastepaper
14 *or beverage containers* is generated or may be collected.

15 (c) In establishing paper *and beverage container* recycling
16 programs, school districts, and campuses of the California State
17 University and Colleges shall attempt to cooperate with existing
18 paper *and beverage container* recycling programs.

19 (d) Nothing in this article shall limit or supersede any other
20 requirement of law imposing a paper *and beverage container*
21 recycling program on school districts or the California State
22 University and Colleges.

23 ~~SECTION 1. It is the intent of the Legislature to enact~~
24 ~~legislation that would provide incentives to school districts with~~
25 ~~recycling programs when applying for state funding for~~
26 ~~construction and modernization of school facilities.~~
